

# COVID-19 School Protocol

We are headed into a season of continuous change. Use your COVID-19 school protocol traffic light to indicate to your child what protocol is for that day either with pictures or words.

Customize it to your child's school protocols.

Red= Most Restrictive, Yellow= Some Restrictions, Green= "The New Normal"

*Example: Red= School is online at home completely. Yellow= Going to school 3 days a week, online learning 2 days a week. Green= In school full time with masks and social distance.*
